

SICKKIDS ETHICS FRAMEWORK

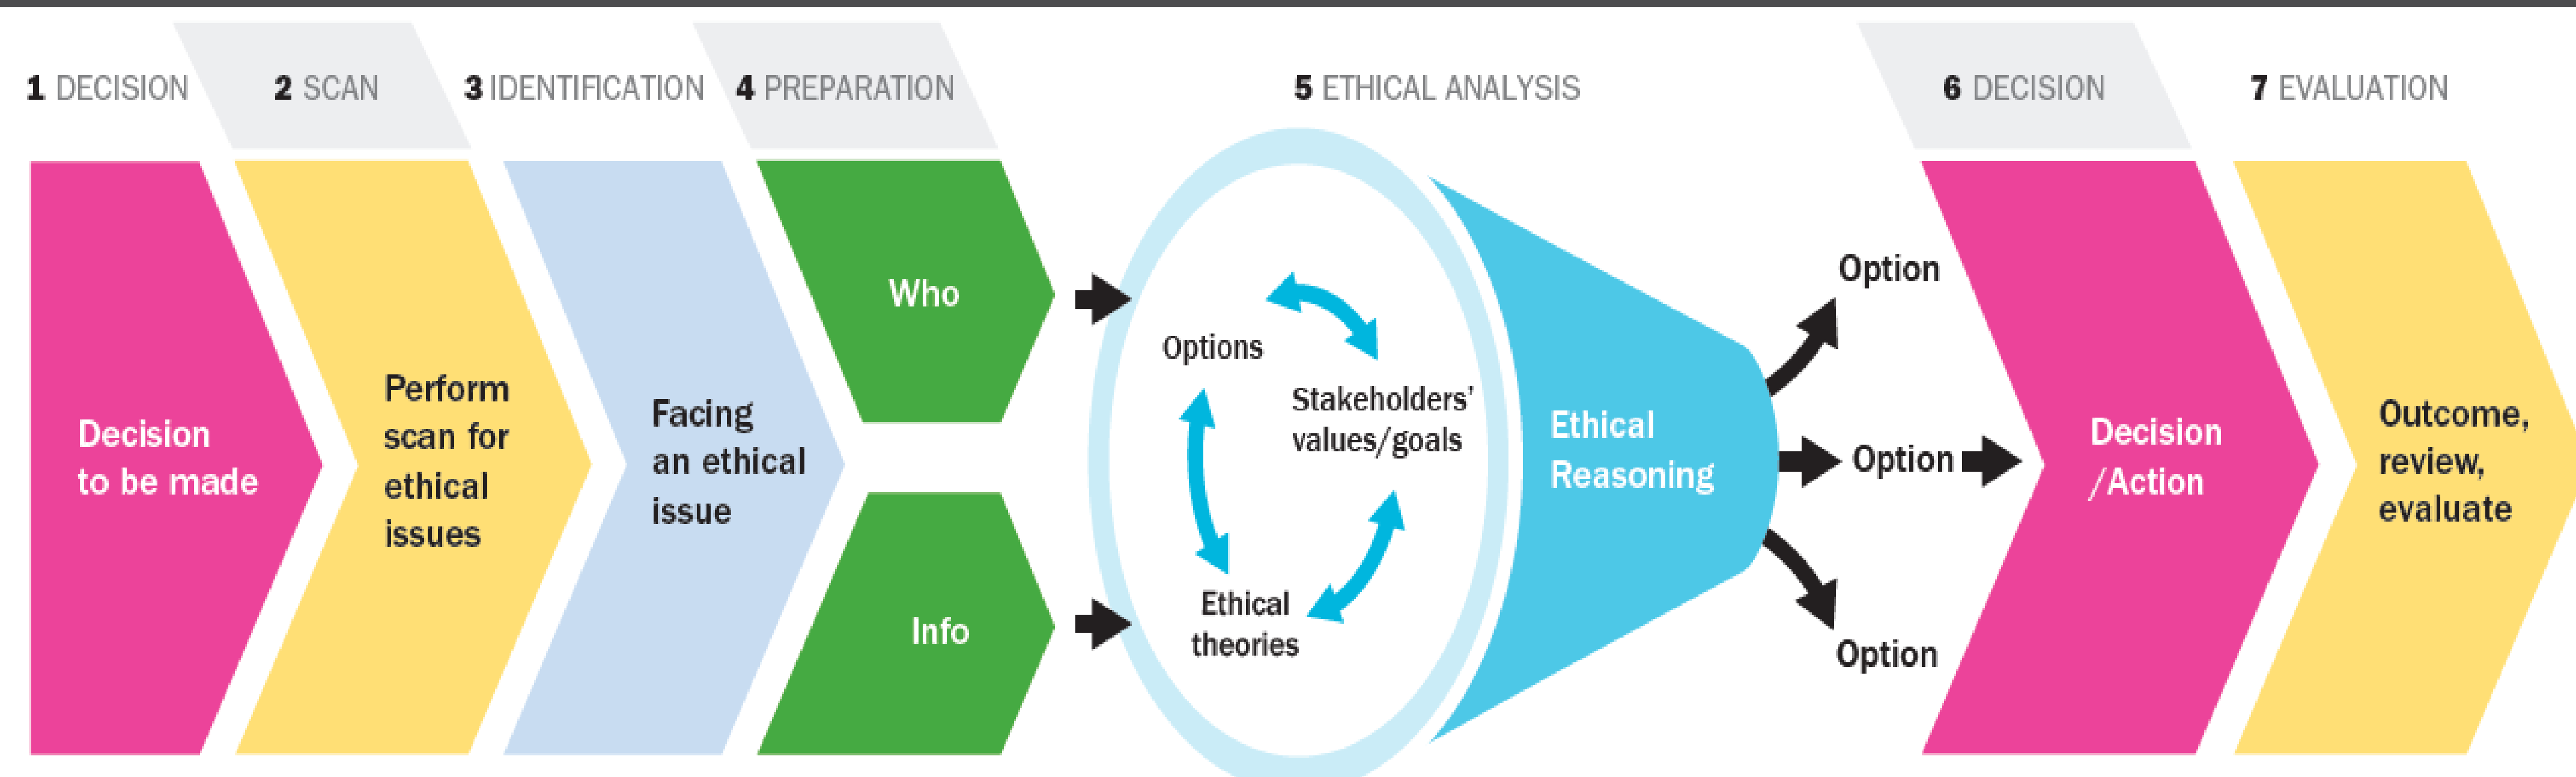

Resources that help identify, analyze and address ethical issues:

SickKids Mission, Vision, Values • Department of Bioethics
 Bioethics Advisory Committee • Research Ethics Board
 Ethics Decision-Making Guide • Code of Conduct • Policies and Guidelines

Ethics is integrated into everything we do

Ethics Decision-Making Guide

Child health should be at the centre of every ethical decision

The Department of Bioethics may be consulted at any stage of ethical decision-making

The Department of Bioethics is a specialized service that conducts ethics consultation, education, policy development and research. For more information, please contact 416-813-5000.
