**CLINICAL CARE – QUALITY IMPROVEMENT PLAN INDICATORS**

Our Quality Improvement Plan (QIP), which outlines our quality and safety priorities, represents our commitment to ensuring the care and services we provide are accessible, effective, safe, patient-centred and promote an integrated health system. In accordance with the Excellent Care for All Act, we post our QIP publicly and submit it to the provincial government so it can improve care across the health system. Data reported is based on the calendar year (January to December 2019). To see the fiscal year (2019-20) progress report, visit sickkids.ca/qip.
