Department of Surgery/Division of Urology

Subject: Patient/ Parent Confidentiality

The Hospital for Sick Children (SickKids) is a teaching and training institution, with many volunteers and observers who come through the Division of Urology annually.

During your time here you may have the opportunity to observe treatment, hear doctor/parent discussions or you may have access to patient charts. You must understand that you have the responsibility to observe all legal aspects of patient/parent confidentiality. This includes all that you see, hear or do.

Hopefully, you will find your time with us educational and useful. When you leave this Division you must continue to respect the privacy of our parents and patients.

Dr. Martin Koyle
Head of the Division Urology

I understand my responsibilities to maintain the privacy of the parents and patients of this institution.
