Is your child coming to the hospital for surgery or a procedure under general anaesthesia? Is your child 3 years or older?

This is a fun and educational individual program that helps children and their families prepare for general anaesthesia.

You and your child will meet with a Preanaesthesia Nurse and a Child Life Specialist. This 1½ hour program includes information and interactive play for you and your child. Your child will have the opportunity to look at pictures and play with medical equipment. You will have an opportunity to ask questions to help prepare you and your child for his/her surgery or procedure.

Sessions occur:
Monday through Thursday, 11 a.m. to 12:30 p.m.
Contact the Preoperative Preparation Program at 416-813-6216 to register.
