

Infant Mental Health Promotion (IMP)

Join IMP!

In 1988 a number of professional and parent representatives from a variety of agencies providing care to infants and their families were brought together by the department of Psychiatry at The Hospital for Sick Children. Infant Mental Health Promotion (IMP) was formed with the goal of promoting the development of infants (prenatal to 36 months) so that they are given the best chance of becoming healthy and successful children and adults.

It is IMP's mission to develop and support best practices for enhancing infant mental health through education, dissemination of information, networking, and advocacy. Activities include specialized educational workshops for professionals working with infants and families, the creation of teaching resources, and the publication of a tri-annually produced newsletter, *IMPrint*, that provides information on infant development, research, interventions, and resources for infants and their families. IMP has become identified as the "voice" for infants and families in the community.

Your annual membership with IMP includes 3 issues of our newsletter, *IMPrint*, and gives you priority and reduced fees for our educational programs and the materials we produce.

Annual membership fees

\$40 for individuals - 1 *IMPrint* subscription & reduced fees for the individual

\$20 for full-time students - 1 *IMPrint* subscription & reduced fees for the student

\$80 for small agencies - up to 3 *IMPrint* subscriptions & reduced fees for workshops for up to three persons

\$160 for large agencies - up to 6 *IMPrint* subscriptions & reduced fees for workshops for up to six persons

Make a Donation to IMP

Any amount small or large that you can manage is much appreciated.

Charitable receipts will be issued for donations - please make donations payable to SickKids Foundation/IMP
