

The Department of Paediatrics

AWARDS DAY

CELEBRATION

Dear Colleagues,

I am excited to announce the award recipients for the 2025 Department of Paediatrics Awards Day celebration and the many incredible achievements across the Department of Paediatrics.

These awards acknowledge tremendous accomplishments in the areas of research, education, administration, clinical care, and EDIA activities by our faculty, staff, and trainees. While the criterion for each award is as unique as each individual award recipient, there is a clear common thread – a commitment to excellence. Thank you for the outstanding nominations received this year and for sharing in the celebrations in person earlier this week.

Please join me in congratulating our 2025 award recipients and giving thanks to everyone across the Department!

Sincerely,
Meredith

Academic Promotions

It is with great pride and enthusiasm that we announce the promotion of 18 of our Department of Paediatrics' members who have been promoted based on demonstrated excellence in one or more areas of scholarship (research, creative professional activity (CPA) or teaching). Through these activities faculty members are recognized for the impact of their work as national and international experts. This year eighteen highly accomplished faculty members were approved for Promotion by the University of Toronto Decanal Committee effective July 1, 2025. We could not be more proud of their accomplishments and we are truly fortunate to have such incredibly talented, passionate and dedicated faculty who are making so many positive contributions in academic paediatrics. Please join us in congratulating your colleagues!
