Directions to Clinics at SickKids for Blood Work, X-ray and Genetics

Blood Work and X-ray
555 University Ave.

1. Coming from 525 University Ave, exit the building and walk north, up University Ave.
2. Cross Elm St. at the traffic lights.
3. The hospital’s main building, 555 University Ave, is located on the right.
4. Walk up the curved sidewalk and enter the building using the first door on the right. Take the corridor straight through two sets of doors.
5. Follow lines on this map for Blood Work Clinic or Atrium Imaging (X-ray).

Clinical & Metabolic Genetics Clinics
Please note that some of our metabolic patients are also seen in Clinic 9, Burton Wing, 555 University Ave. For additional information about our clinics, please call:

Clinical information coordinators: 416-813-5338/416-813-6387
Clinical information clerk: 416-813-6390
Metabolic information coordinator: 416-813-5753
Metabolic information clerk: 416-813-5060/416-813-4739

If you have parked your car in the main building of the hospital and are going to the Genetics Clinic, please follow the directions from the parking elevator.
