

**Heart Centre Fellowship Application
PI Attestation for Top up Funding**

The following attestation must be submitted as part of your fellow's fellowship application by the application deadline. To ensure your fellow's application is reviewed by the executive, please ensure this form is submitted to Christine Kerr (christine.kerr@sickkids.ca) by **June 3rd, 2022** (For HC fellowship funding start date of July 1st, 2023). This attestation will confirm that you, as the supervising PI have the funds required to top up the salary and benefits beyond the \$55,000 HC fellowship to the mandatory fellows salary.

You are required to decide the appropriate salary for your fellow depending on their research duties. The salaries, total cost for a fellow including benefits, and the top up amount required by you is delineated below.

- 1) If your fellow will be doing research not requiring a CPSO license to carry out any specialized clinical procedures (for research)

Salary (Based U of T PGY1) - \$60,397.72
HC Fellowship amount - \$55,000
Total Cost of Fellow including Benefits - \$68,551.41
PI Top-Up Amount required - \$13,551.41

- 2) If your fellow will be doing research requiring a CPSO license to carry out specialized clinical procedures (for research)

Salary (Based on U of T PGY5) - \$78,425.77
HC Fellowship amount - \$55,000
Total Cost of Fellow including Benefits - \$89,013.25
PI Top Up Amount required - \$34,013.25
