# High School Co-op Program Application Form

The High School Co-op Program at SickKids is an opportunity for Grade 11 or 12 students, over the age of 16, from semester school boards across Toronto and the GTA to complete a 2-credit (1/2 day) or 4-credit (full day) co-op placement.

Completed applications must include the following documents in order to be considered: this application, two teacher recommendation (*template provided*), resume, and credit counselling summary & attendance profile.

Please type all answers on this form, and submit all documents in PDF format.

All applications must be submitted by a co-operative education teacher to the inbox [highschool.coop@sickkids.ca](mailto:highschool.coop@sickkids.ca) during the outlined recruitment period. Late or incomplete applications will not be considered.

## Pre-screen Questions

Why are you interested in applying for a placement in the High School Co-op Program at SickKids?

Please list any experiences (volunteering, employment, extra curriculars, etc.) that have prepared you for a co-op placement.

What are your expectations of the program, and how will this experience help you with your future?

What will you contribute to this placement and organization overall?

### Candidate Release of Personal Information

I understand and agree that, to the best of my knowledge, the information I have provided in this application is complete and accurate in every aspect. Any material representation or deliberate omission of fact in my application will be justification for refusal of the opportunity to take part in the high school co-op program.

I understand that successful completion of the application process will not guarantee a high school co-op placement through Volunteer Resources or SickKids.
