

# SickKids Virtual Urgent Care Service Region

Please note: the purpose of this map is to show the geographic area currently eligible for SickKids virtual urgent care visits, representing both cities and regions in Southern Ontario.

Please note: The symptom checker is available to those outside this region as well. It's available 24/7 to any child or youth under the age of 18.

Visit [www.sickkids.ca/virtualurgentcare](http://www.sickkids.ca/virtualurgentcare) to learn more.
