Summer Research (SSuRe) Program
Student Application Form

Student Eligibility

Research Summer Students are selected for research training (basic science or clinical) under the supervision of a scientist at SickKids. All students are eligible to apply, with the exception of graduate students (Master's and/or PhD).

Program Start Date

The SSuRe Program curriculum officially starts on May 1, 2023, and ends after Symposium Day on August 16, 2023.

Stipend Amount

$15.50/hour + 4% vacation pay for the duration of the research training period. Research Summer Students will be paid biweekly through payroll.

Research Summer Students are encouraged to participate in the SSuRe Program curriculum, which includes:

Program Requirements

- Research Summer Student Meet & Greet
- Weekly Seminar Series, weekly
- Career Night
- Symposium Day

How to Apply

1. A list of scientists who are actively recruiting positions is available online at SSuRe Program Jobs Postings.

   If you are interested in working with a scientist that is not actively recruiting, you are welcome to contact those scientists directly about the possibility of working with them on. See a list of scientists here.

2. **To apply to posted positions, you must apply to the posting directly.** Human Resource Services or the SSuRe Program **will not** or forward applications.

3. **Application documents:**

   - This Student Application form
   - Your resume
   - A copy of your University transcript(s)
   - One reference letter (e.g. from a professor or previous employer)

Deadline to Apply

The deadline for students to submit their applications to posted Research Summer Student positions is listed under each job posting.

Students are encouraged to apply as early as possible as scientists are free to select their students for the program at any time. Most selections will be made many weeks before this final deadline.

Due to the high volume of applications received, only those students selected for an interview will be contacted. Please follow up with the scientist as the SSuRe Program does not manage the hiring process.

Questions?

Please see SickKids Summer Research Program FAQs at SSuRe FAQs or send your questions to summer.program@sickkids.ca
